CADORA is a national grass roots organization which fosters and encourages interest and participation in dressage riding as a sport. Annual national member benefits include the Omnibus, an awards program, an e-newsletter and educational opportunities with a world-class clinician.

## CADORA OMNIBUS

Each year, we publish and distribute the CADORA Omnibus, a coil bound booklet which contains the current Equestrian Canada/USEF, USDF and FEI dressage tests for all levels from Introductory through to Grand Prix. This publication is referred to throughout the calendar year, whether our members are showing or training. Our popular cover spots sell out quickly, however, we do have inside pages available to market your business. Purchase up to a 3-year term and enjoy considerable savings!
